Dear Mr. Cuccaro:

Please accept my sincere appreciation on behalf of the Union-Endicott Central School District for settling our insurance claims with respect to the devastating flooding of June 28, 2006. The initial meetings with Darin Checchia outlined for us the specific work your firm would provide in a clear manner. Darin was available to us round-the clock in those initial days to answer any and all questions from both district personnel and members of the Board of Education.

Further, from the onset of John Bonfiglioli being assigned to us, he was in communication with my Facilities' chiefs and me every step of the way. John's expertise, tenacity, thoroughness and diligence resulted in a job well done.

Thank you again for your firm's efforts. God forbid, if we were to have another disaster, I would not hesitate to recommend to our Board to retain your firm's services once again.

Sincerely,

Suzanne E. McLeod, Ed.D.
Asst. Supt. for Business and
Elementary Education
