Mr. Darin R. Checchia,
Regional Manager
Adjusters International
125 Wolf Road
Albany, NY 12205

Dear Darin,

I would like to take this time to thank you and your team at Adjusters International, for the outstanding service you provided after our unfortunate fire. We are very thankful that you came to our rescue and acted in our behalf with the insurance company. I have no doubt your expertise and professional negotiating maximized our settlement. You kept us well informed throughout the process and you were never too busy to answer our many questions. You made a very confusing and frustrating process much more bearable, and for that we are very appreciative.

I am very impressed with your professional service and I will not hesitate to recommend Adjusters International to anyone in need of such assistance, nor would I hesitate to call you if the need arises.

Thanks again for a job well done.

Sincerely,

John Antonucci
President
