Dear Arnie,

I would like to take this opportunity to thank you and the Greenspan Company for your assistance. In October of 2003 the Los Angeles Boy Scouts suffered a major loss of property due to a forest fire that raged through our camp. Our camp, Forest Lawn Scout Reservation at Lake Arrowhead lost 40 buildings and its infrastructure in the fire.

Faced with such a major insurance claim we decided to seek help, so we contracted with the Greenspan Company. It was a pleasure working with you and the Greenspan Company during a lengthy and complicated claims process. We are certain that without your help we would have received far less than the over \$1.5 million we ultimately received from the insurance company.

Again thanks for your expertise and persistence that dramatically expedited our claim.

Sincerely,

Brian E. Curtis
