This is Mansour Maidah the managing partner of co-op real estate. We very much appreciate the work the Greenspan Co. did on our behalf. The huge disaster, we went through, was made small by your fine efforts. We did not fight with the insurance co. Mr. Elkman, you preserved our rights. You know the in and out of the insurance business. You took the worry out of the situation. We were paid fully on time. On the other hand, I have a friend who had a similar situation. Nine months later, he is still waiting for his agent to collect for him. The small fee you charge is really a bargain for the job you do. Thank you.

A handwritten signature in black ink, appearing to read 'Mansour Maidah', is centered on the page. The signature is fluid and cursive, with a large initial 'M' and a long horizontal stroke extending to the right.
