Basloe Levin & Cuccaro Adjuster's International
126 Business Park Drive
Utica, NY 13502

Dear Sirs:

As a businessman that has been around the Mohawk Valley for over forty years now, I express great respect for the men and women who helped in the process of relieving me of the worries which are obtained when your house catches fire.

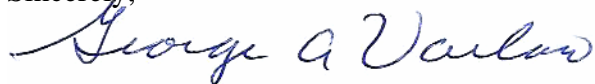

My home/business caught fire over this previous winter, due to the log stove I had in my garage. It is unknown how the fire started, but when the fire was finally put out, I lost one room and my entire residence was covered with black soot.

Thanks to Basloe Levin & Cuccaro Adjuster's International no substantial amount of time was needed from me. With that known, it is significant since time is money in the business world. The performance by the firm was very exceptional. Within three months of the incident, you could look at my residence and not even see traces of where a fire occurred.

I appreciated the professionalism displayed by this company and would recommend using this firm when caught in the unworthy situation of your house catching fire. If you want something done promptly and in a timely fashion, Basloe Levin & Cuccaro Adjuster's International are the people to go to.

Thank you for everything you have done in relation to the fire at my residence, and good luck in all of your endeavors.

Sincerely,

George A. Varlaro
