Dear Barry,

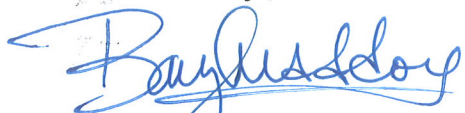

We want to send our heartfelt thanks to you and your firm for help in settling our recent flood damage insurance claim. You and your staff made the process of recovery smooth and as painless as possible considering the devastating loss our business encountered.

Your firm is second to none when it comes to representing your clients interests and well being.

I have already referred two clients to your firm and would be happy to discuss our experience with Goodman Gable with any prospective clients.

You and your firm were patient, thorough, and painstakingly diligent in making sure our company was brought back to doing business as usual in record time. No one does it better than you guys and we thank you from the bottom of our hearts for being on our side.

Sincerely,

Bary Maddox
