RE: Assistance with August, 2007 Flood

Dear Judy:

I am following up to your conversation with NACo Second Vice President Lenny Eliason during the recent NACo Annual Conference.

I also want to thank Adjustors International (AI) for the outstanding service that was provided to CORSA and Putnam County after the August, 2007 flood. Six counties in Northwest Ohio were involved in the presidential declaration. Most of the damage to county-owned property occurred in Putnam County. The assistance provided by the AI team saved a lot of valuable county staff time in expediting the request for assistance, and their expertise significantly increased the amount of recovery that was received from FEMA.

I would recommend the services provided by AI to any entity who is attempting to expedite receiving the maximum public assistance that is available from FEMA after a disaster.

Sincerely,

David W. Brooks, CPCU
Managing Director
