Mr. Greene,

I am writing in appreciation of the excellent work your company has done for me. In February of this year, my warehouse suffered a catastrophic collapse due to the heavy snowfall we received.

There were a number of issues involved with successfully handling my claim, and having received policy limits, I couldn't be more pleased.

I am impressed with the thoroughness and professionalism of Globe Midwest/Adjusters International. The Globe Midwest adjuster, DJ Cremen took charge of the process and made sure everything moved forward. DJ was able to develop an effective relationship with the adjuster for the insurance company, and guide the process to an excellent conclusion.

The results I received with your company were exceptional, and I would be happy to recommend your firm to anyone who has an insurance claim.

Sincerely,

William Van Slooten
