Emergency Services / Safety

JAMES J. ZYMANEK

Director

September 27, 2011

To Whom It May Concern,

The Town of Amherst was assisted by Adjusters International during the October Storm of 2006, FEMA 1665 to help us recover from the disaster event.

We found our experiences working with representatives from their company to be both professional and helpful. In addition we had to obtain documentation from their representatives in the later years as we continued to recover from the devastation this created with in our community.

Sincerely,

James J Zymanek, Director of Emergency Services
Town of Amherst, NY
