Mr. John Militello
Adjusters International
22 Elizabeth Street
Utica, New York 13501

Dear John,

Well, the long haul - 7 months - since the fire is finally over. As you know, We have received the final settlement check from our insurance company.

Jim joins me in thanking you and your company for all the help we received in making and collecting our claim. I am certain that if we had tackled this job ourselves, and used the company's assigned adjuster, we would have never reached the satisfactory settlement which you worked up and fought for.

We recommend, without hesitation, the use of a public adjuster and Adjusters International.

With best wishes and our thanks, I am.

Sincerely,
